ABOUT ALANI GROUP LLC

Alani Group LLC, established in July 2023, is a forward-thinking, woman-owned small business with an impressive 39 years of combined experience leading the way in IT and cybersecurity management. Our deep expertise in both technology and security enables us to provide end-to-end solutions that protect digital assets while navigating the complexities of regulatory compliance. We offer a comprehensive range of services, including IT infrastructure management, strategic cybersecurity planning, and certified CMMC professional consulting, all aimed at enhancing operational efficiency and safeguarding sensitive information. Alani Group is committed to preparing businesses to meet the rigorous cybersecurity standards required for federal contracting, ensuring they stay resilient and secure in an ever-changing digital landscape. At Alani Group, we turn complex challenges into practical, actionable solutions, empowering your organization to thrive and excel.
